

Sharing our voices

Hosted by Alzheimer's Society of
Waterloo Wellington and partners

This intergenerational program gives participants the opportunity to **build social connections** and **explore collaborative, creative processes**. Art pieces created will be showcased throughout the Region of Waterloo.

Persons living with dementia:

Register to be partnered with a caring young person to explore and create art together. Care partners of registered participants living with dementia can access virtual wellness programming offered by the YMCA of Three Rivers.

Teens:

If you are a creative, outgoing teen in high school, join us! Involved youth can opt into leadership activities that will count towards their high school volunteer requirements.
